BRIEF ABSTRACT OF LETTER

Forwards Copy of the Madras Govt. letter about the payment of honorarium to Bro. Geddes at 7 guineas a day in respect of the ten days that he spent in Feb. 1915 on behalf of the Durbar in visiting Bangalore and Mysore & preparing his report on the Treatment of Mysore City.

NOTES AND ORDERS

NOTES—First Sheet

G1 B—35 000—15 6 12

OFFICE NOTE.

Visit of Professor Geddes of - - Edinburgh to Mysore.

- - - - - -

Residency endorsement No. 1693 dated the 8th March 1915 forwarding a copy of letter No. 333/M.Mis. dated the 3rd idem from the Government of Madras, Local and Municipal Departments.

- - - - - - -

In August 1914, while communicating the intention of the Durbar to participate in the Exhibition, the Residency was requested to ascertain whether Professor Geddes could arrange to deliver 2 or 3 lectures at Bangalore, and if so, on what terms. The Residency replied to say that the matter would be taken up on the - - arrival of the Professor, but nothing was heard in the matter and there were no lectures in Bangalore.

2. In December 1914, while intimating the postponement of the date of the - - Exhibition at Madras, the Madras Government expressed a hope that Professor Geddes might be able to visit Bangalore and Mysore to see for himself the improvements - - - effected therein. He accordingly came to Bangalore for two days, viz., 11th and 12th January 1915, and was taken round the City

by the Deputy Chief Engineer and the Honorary President, Bangalore City Municipal Council, as desired by Government

3. Beyond these facts, this office is not aware of any correspondence that might have taken place in connection with the Professor's visit

4. The Madras Government now state that the Professor spent 10 days in February last in visiting Mysore and - - writing a detailed report on the treatment of that City, which he has since sent to the Durbar and request that an honorarium of Rs 1,102-8-0 be paid to him on this account by the - - Durbar

5. The report referred to has not been received in this office nor is anything known here as to what arrangement has been made by Government in the matter It is probable that the report was furnished to Government in the General and Revenue - - Departments and the connected correspondence is also there It is not also apparent to which Department the charges have to be - - debited If the advice was in connection with the Mysore City Improvements, the Trust Board has to be debited the charge

6 Under the circumstances, the Residency communication under reference

will be retransferred to the General and Revenue Secretariat to be dealt with - there

Letter No.375 dated the 10th August 1915 from the Honorary President, Bangalore City Municipal Council, to the Chief Engineer of Mysore. 14

In reply to your letter No.7859 dated the 7th August 1915, I have the honour to state that Professor Geddes arrived in Bangalore on the morning of 11th January 1915 and inspected part of the City that day. He inspected the remaining portion of the City on the 12th idem. He left Bangalore on the 13th on which day he does not appear to have made any inspection in the City

2. I am not aware whether the Professor during his visit to Mysore City stayed in the Bangalore City as he did not meet any of the officers of the City Municipality
